Stereos

She said  
"I miss you, baby  
Are you by the phone?  
I've been thinkin' 'bout you lately  
So tell me if you're all alone  
Tell me what you're feelin'  
Tell me what you need  
Baby, don't conceal it  
And tell me what you'll do to me"

Now all I want is something I can't give you, baby  
But we can get there  
(We can get there)  
Yeah, we can get there...  
She asked me

"Where you gonna start - the top or the middle?  
Give me just a hint"  
And I might drop a little bit  
I'm taking it slow  
She can't take it, she said "tell me..."

Tell me what you're gonna do when you get this body  
Tell me what goes down when it's just me and you  
Tell me what you're gonna do when you get this body  
I'll tell you what goes down when I've gotta keep my  
Hands off you...  
Hands off you...  
Hands off you...

These LA girls, they get me  
Better than the most, yeah  
They say I feel familiar, baby  
So God bless the West Coast  
We met somewhere in the Hills, yeah  
I don't recall when we left  
Yeah, but she was up for cheap thrills  
And I don't even think we slept...

Tell me what you're gonna do when you get this body  
Tell me what goes down when it's just me and you  
Tell me what you're gonna do when you get this body  
I'll tell you what goes down when I've gotta keep my  
Hands off you  
My hands off you  
Tell me what you're gonna do, baby  
My hands off you

Now all she wants is something I can't give her, baby  
But we can get there  
(We can get there)  
But we can get there, if you just...

Tell me what you're gonna do when you get this body  
Tell me what goes down when it's just me and you  
Tell me what you're gonna do when you get this body, baby  
I'll tell you what goes down when I've gotta keep my

Hands off you

Tell me what you're gonna do, baby  
Tell me what you're gonna do when you get this body, baby  
I'll tell you what goes down when I've gotta keep my
