

# Always Remember

Stereoside

I know what your thinking  
And you really shouldn't think that  
(Well I'm not strong and I can't go on)

Well you gotta reach down and dig deeper (2x)

Always remember and never forget  
Well your in battle well you just can't quit (2x)

You gotta be a soldier

I know where your going  
And you really shouldn't go there  
(Well I'm beat down and I'm broken)

Well you gotta reach down and dig deeper (2x)

Well you gotta be a soldier  
If you wanna live (oh yea)  
Well you've gotta be a soldier, a soldier yea
