Stereoside

Well the colors never change
Always hangin on to you in the same place
Well did you get it all for one yeah
Or did you get it for that special space
And now Im wandering yeah
What is it supposed to mean?
Cause it works for me
Well does it do for you?
Im addicted to your tattoo
Well the colors match your face
Do they represent you or do they hide things
And I dont care if you get it off a wall
And now Im wandering yeah
What is it supposed to mean?
Cause it works for me
Well does it do for you?
Im addicted to your tattoo
OH yeah Come on
OH yeah
Im addicted to your tattoo
Im addicted to your tattoo yeah
Im so addicted to your tattoo
tattoo
What is it supposed to mean?
Cause it works for me
Well does it do for you?
Im addicted to your tattoo
Im addicted to your tattoo

Well does it do for you?
That Im addicted to your tattoo
OH yeah
Im addicted to your tattoo
