Verse

O-M-G no O-N-E
Fuck with a boy, ain't cold as he
Ain't what they seem, not bold as me
Ain't lived a life as low as me
Oh, please
I don't do the nose bleeds
I just pass 'em those keys
Valet parking, Rolls please
Money is power
Look at the people in power
Funeral flowers
Freedom devour
This is not yours, this is ours

Chorus

America's ours
Runs like the towers
We back and we better
We rain like the showers
We're watching you cowards
All of you cowards

Break
