

What You Need

Steve Angello

I got what you need
I want your love
Come hear me love
I got what you want
I got what you need
Hey

Come hear me love
I got what you want

I got
I got

I got what you need
I want your love
Come hear me love
I got what you want
I got what you need
Hey

I want your love
Come hear me love

I got what you want
I want your love
I got what you need
