

Started out as friends but I knew we'd end up together
It's been a couple years and it just keeps on getting better
I know I'm only human though, I can't predict the future
But I know I know I know I know I know, I'm never gonna lose ya

I'll be your lighthouse in the storm
I'll be your fire keep you warm when you get cold
I'll follow you into the dark
I'll be the love inside your heart til we get old

So let me be the one
The 1 4 U
Let me be the one
The 1 4 U
And you can be the one for me too
Mmmm
You can be the one for me too
Mmmm
You can be the one for me too

Not every single second, month or years gonna be perfect
But I know I know I know I know I know, that it's gonna be worth it (mmm)

I'll be your lighthouse in the storm
I'll be your fire keep you warm when you get cold
I'll follow you into the dark
I'll be the love inside your heart til we get old

So let me be the one
The 1 4 U
Let me be the one
The 1 4 U
And you can be the one for me too
Mmmm
You can be the one for me too
Mmmm
You can be the one for me too
