

## 3 Days

Steve Aoki

I haven't been home in 3 days  
Tell me if I'm wrong if I stay here with you  
You know I be stuck in my ways  
But it would feel so wrong if they take me from you

Misconceptions  
Make you hate me too  
Misdirection  
Runaway with you  
If you want me to  
Yea  
If you want me to  
If you want me to  
You would tell me  
Tell me if you want me  
You would tell me  
You tell me you want me so I stay with you  
Cause you want me to  
Cause you want me to

I haven't been home in 3 days  
Tell me if I'm wrong if I stay here with you  
You know I be stuck in my ways  
But it would feel so wrong if they take me from you

I would feel so wrong if they take  
I would feel so wrong if they take  
I would feel so wrong

I haven't been home in 3 days  
Tell me if I'm wrong if I stay here with you  
You know I be stuck in my ways  
But it would feel so wrong if they take me from you

So why you wanna leave  
You making it easy  
What you wanna eat  
I took out 100 G's bae let's go to Neiman's  
I know you ain't tripping bout no money you don't need it  
You know ain't no stopping I come running if you need me  
Yea  
So why you wanna leave  
When you know im the one that know how you like  
When you wanna pull up I go and buy your flight  
You know how I feel about cha  
You know I'm for real about cha  
So why you wanna leave  
If it ain't with me then baby where you wanna be  
If I say pull up on me bae is you come come and see me  
Is you gone the other way is you gone make it easy

I haven't been home in 3 days  
Tell me if I'm wrong if I stay here with you  
You know I be stuck in my ways  
But it would feel so wrong if they take me from you
