

# All Night

Steve Aoki

My heart beats a little faster  
When our eyes meet  
In the middle of a crowded room  
In knee deep testing waters  
I've got a feeling and I don't know what to do, you

Got me paralyzed, and I think I like it  
Caught me by surprise, I'm not usually like this, no  
Got me paralyzed, don't think I can help it  
Why's it feel so right?  
Let's keep this going all night

Going all night  
Going all night  
Going all night

The crowd fades, tunnel vision  
In a daze, and the only thing I feel is you  
In perfect, syncopation  
Face to face, tell me do you feel it to you?

Got me paralyzed, and I think I like it  
Caught me by surprise, I'm not usually like this, no  
Got me paralyzed, I don't think I can fight this  
Why's it feel so right?  
Let's keep this going all night

Going all night  
Going all night  
Going all night

But maybe I should wait  
Let it fall into place  
'Cause I keep going over the things  
That could come from me feeling this way  
And I don't wanna play (I don't wanna play)  
This emotional games (emotional games)  
But when you pull me closer  
And I cannot deny that I want you to stay

(Woah, yeah)  
You got me  
You got me, got me, got me, paralyzed (woah)

Got me paralyzed (got me paralyzed), and I think I like it (like it)  
Caught me by surprise, I'm not usually like this, no  
Got me paralyzed (yeah), don't think I can fight it (woah)  
Why's it feel so right?  
Let's keep this going all night
