

# Beautiful

Steve Aoki

Didn't think that I would ever find  
That one in a million  
That diamond so brilliant

Every time I look into your eyes  
The blood runs thicker  
And our love gets bigger, so much bigger

Lo-lo-lo-lo-love  
Give me that dru-dru-dru-dru-drug  
I can't get enou-nou-nou-nou-nough  
Give me your love, your love

If we only get one night  
I just want to get this right  
I would go through a fire  
Because we're beautiful

If we only get one shot  
I would give it all I got  
You know I would give my life  
Because we're beautiful

Because we're beautiful

Lo-lo-lo-lo-love  
Give me that lo-lo-lo-lo-love  
I can't get enou-nou-nou-nou-nough  
'Cause we're beautiful

Didn't think that I would ever find
