Better Run

Steve Aoki

```
Hey, bitch, you thought I wouldn't find out
All the shit you was talking about?
Better run when you hear that
Better run when you hear that
I said-

Hey, bitch, you thought I wouldn't find out?

Hey, bitch, you thought I wouldn't find out
All the shit you was talking about?
Better run when you hear that
Better run when you hear that
I said, "Aye, bitch, you thought I wouldn't find out
All the shit you was talking about?
Better run when you hear that
Better run when you hear that"
I said-

I said, "Aye, bitch, you thought I wouldn't find out
All the shit you was talking about?
Better run when you hear that
Better run when you hear that"
I said-

Aye, bitch, you thought I wouldn't find out?
