

## Closer To God

Steve Aoki

In the Neon Future  
We are searching into the unknown  
Exploring ever expanding frontier  
Trying to find answers  
To understand hope  
To find the truth of life  
Beyond life  
After life  
To become closer to God  
Inside the matrix  
The clock keeps ticking  
And ticking  
Until we reach zero  
Yet we constantly keep pursuing  
We keep exploring  
And since forming  
Evolving  
Progressing  
Surviving  
Coming closer and closer and closer  
For a final moment
