

Complicated

Steve Aoki

Why do I go and make things so complicated?
I see the way you're acting like you're somebody else
Gettin' me frustrated
And life's like this you
And you fall and you crawl and you break and you take what you get
And you turn it into
Honesty and promise me I'm never gonna find you fakin'
No oh

Why do I have so many glitches?
The more that you're sweet the more I'm suspicious
Every time that you speak there's a formula hidden
It ain't 'bout what you said, it's more what you didn't

Somebody else, somebody else
Somebody else, somebody else
Somebody else around everyone else
You're watching your back like you can't relax
You try to be cool
You look like a fool to me

Why do I go and make things so complicated?
I see the way you're acting like you're somebody else
Gettin' me frustrated
And life's like this you
And you fall and you crawl and you break and you take what you get
And you turn it into
Honesty and promise me I'm never gonna find you fakin'
No oh

Why do I have such an obsession
With matching your words with all your expressions?
Every time that you talk it's like I'm being tested
If it's true, how come you looked away when you said it?

Somebody else, somebody else
Somebody else, somebody else
Somebody else around everyone else
You're watching your back like you can't relax
You try to be cool
You look like a fool to me

Chill out, what you yellin' for?
Lay back, it's all been done before
And if you could only let it be
You would see
I like you the way you are
When we're driving in your car
And you're talking to me
One on one, but you become

Why do I go and make things so complicated?
I see the way you're acting like you're somebody else
Gettin' me frustrated
And life's like this you
And you fall and you crawl and you break and you take what you get
And you turn it into

Honesty and promise me I'm never gonna find you fakin'
No oh, oh, oh, oh, oh
