

# Cudi The Kid

Steve Aoki

Let the good times roll in  
Yeah, we let the good times roll in  
Yeah, we let the good times roll in  
Whoa, yeah, yeah  
We let the good times roll in  
We let the good times roll in  
Yeah, we let the good times roll in  
Whoa, yeah, yeah  
We let the good times roll in

When I was a youngin'  
Couldn't wait to get big  
All in all, I stayed on my job  
And you can call me Cudi the Kid

When I was a youngin'  
Couldn't wait to get big  
All in all, I stayed on my job  
And you can call me Cudi the Kid

Can stop, but don't stop  
Can stop, but don't, stop  
Can stop, but won't stop  
Can stop, but won't stop  
Can stop, won't stop  
Can stop, won't stop  
Can stop, won't stop  
Can stop, won't stop  
Can stop, but don't stop  
Can stop, but don't stop

Clap, clap, clap  
Drinking, drinking  
Smoking, smoking  
That's my daily routine after rocking shows and low-scoping  
Focused on the wrong things like the ghosts out of your dreams  
And it really truly seems that this is supposed to happen, man  
If this were to happen then I'd probably still achieve  
What I dreamed of even if I'm leaned up, I'm high up  
All the damn kids that are listening to Gucci, man  
Let the good times roll

Can stop, but don't stop

When I was youngin'  
Couldn't wait to get big  
All in all, I stayed on my job  
And you can call me Cudi the Kid

When I was youngin'  
Couldn't wait to get big  
All in all, I stayed on my job  
And you can call me Cudi the Kid

Can stop, but don't stop  
Can stop, but don't, stop  
Can stop, but won't stop

Can stop, but won't stop  
Can stop, won't stop  
Can stop, won't stop  
Can stop, won't stop  
Can stop, won't stop  
Can stop, but don't stop  
Can stop, but don't stop  
Can stop, but don't stop
