

# Demons

Steve Aoki

I ain't been sleeping for days  
I've got all of the symptoms  
I can't keep running away  
From all my decisions  
I gotta face em all  
The deeper I'm diggin  
The further I have to fall  
Ooooh  
It's personal when you're on your own  
And you've reached for the bottle  
But it's all gone  
Turn off your phone  
Like you're not at home  
But you sit in your room with the lights out  
Ooooh  
Nobody knows  
They don't know

I got demons  
They keep me up at night  
I got demons  
They twist me up inside  
But when you show  
They can't hold us  
They don't run when I'm with you  
Cause I got demons  
And I know you got em too

I think I found an escape  
That my head would be clearer  
I think I'm startin to change  
Seeing the bigger picture  
I get emotional  
Knowin that I'm not  
Facing it all alone

I got demons  
They keep me up at night  
I got demons  
They twist me up inside  
But when you show  
They can't hold us  
They don't run when I'm with you  
Cause I got demons  
And I know you got em too

I got demons  
They keep me up at night  
I got demons  
They twist me up inside  
But when you show  
They can't hold us  
They don't run when I'm with you  
Cause I got demons  
And I know you got em too
