

# Do Not Disturb

Steve Aoki

You know I want it  
Thing got me up on it (On it)  
Boy, look in my, look in my eyes  
I'm coming, I'm coming  
Down to the lobby  
Got the key to my body  
I'm with it, with it tonight  
I'm coming, I'm coming (Yeah)

Wearing nothing but you  
High on the seventeenth floor  
Gimme some, gimme some more  
I knew just what to do (Oh yeah)  
Dropping my clothes on the floor  
Put that "Do Not Disturb" on the door

Do not, do not disturb  
Do not, do not disturb  
(Come on, come on)  
Do not, do not disturb  
Do not, do not disturb  
(Come on, come on)

Pull me in closer  
Do it over and over (Oh, oh)  
I'm working that overtime  
I love it, I love it (Love it, I love it)  
I'm going in deeper  
Marvin Gaye on the speaker (Yeah, word)  
I'm getting it, getting it on  
I love it, I love it (Oh)

Wearing nothing but you  
High on the seventeenth floor  
Gimme some, gimme some more  
I knew just what to do (Let's go)  
Dropping my clothes on the floor  
Put that "Do Not Disturb" on the door

Do not, do not disturb  
Do not, do not disturb  
(Come on, come on)  
Do not, do not disturb  
Do not, do not disturb  
(Come on, come on)

Do not, do not disturb  
Do not, do not disturb  
(Come on, come on)  
Do not, do not disturb  
Do not, do not disturb  
(Come on, come on)  
Do not, do not disturb  
Do not, do not disturb  
(Come on, come on)
