Steve Aoki

Yeah

Hey

Everybody loves a crazy girl
Loves a crazy girl
Never been to Heaven, but she'll take you there
(Hey, yeah, yeah)

On another level, goddamn, she bad

One shot, two shot, three shot, four
She into breakin' necks, and then she'll walk in the door
[?] color ten with the feather tattoo
She don't give a damn 'bout somebody like you
Headshot, headshot, double-tap that
Round of applause for a bitch who clap back
Bossed little butterfly, best you never had
Au natural, believe that

That bitch filet mignon
Don't treat that pussy wrong
When you wake up, she gone (She gone)
LAX to Hong Kong
That bitch filet mignon
Don't treat that pussy wrong
When you wake up, she gone (She gone)
LAX to Hong Kong

Everybody loves a crazy girl
Loves a crazy girl
