

Give Me The Night

Steve Aoki

Give me the night
Give me the night
Give me the night
Give me the night
Give me the night
Give me the night
Yeah, give me the night

Whenever

Whenever dark has fallen
Don't ya know the spirit of the party starts to come alive
Till the day is a-dawning
You can throw out all the blues, hit the city lights

'Cause there's music in the air
Lots of lovin' everywhere
So give me the night
Give me the night
Give me the night
Yeah, give me the night

Whenever

You need that evening action
A place to dine, a glass of wine, a little late romance
It's a chain reaction
You'll see the people of the world coming out to dance

'Cause there's music in the air
And lots of lovin' everywhere
Give me the night
Yeah, give me the night, give me the night
Give me the night, give me the night
Give me the night
Yeah, give me the night

Give me the night
