

Inside Out

Steve Aoki

I got an early flight
I got Drunk last night
And I probably won't make it back
Now I done messed up once
Then I done messed up twice
And it probably won't be the last

Oh oh these stupid things I do
They're no reflection of how I feel for you
Cause baby I'll never be perfect
But my purpose is you

Til the wheels come off
Til the ship goes down
I will love you inside out
Til the roof caves in
And it all goes south
I will love you inside out
Love you inside out

Cigarettes and booze
Thousand dollar shoes
Then I come up short when rent is due
When I forget the names
Of all your closest friends
I know that I embarrass you

Oh oh these stupid things I do
They're no reflection of how I feel for you
Cause baby I'll never be perfect
But my purpose is you

Til the wheels come off
Til the ship goes down
I will love you inside out
Til the roof caves in
And it all goes south
I will love you inside out
Love you inside out
