

Like It Like That

Steve Aoki

Drinky, drinky, take me downtown
E 450, drive me around
Naughty, naughty, like it or not
I'm the best dance you ever got
Sinky, sinky, anchor me down
E 450, drive me around
Talky, talky, you got the words
You got the gift of the God, I heard

I like it like that
I like it like that
I like it like that
I like it like that
I like it like that
I like it like that

Drinky, drinky, take me downtown
E 450, drive me around
Naughty, naughty, like it or not
I'm the best dance you ever got
Sinky, sinky, anchor me down
E 450, drive me around
Talky, talky, you got the words
You got the gift of the God, I heard

I like it like that
I like it like that
I like it like that
I like it like that
