We'll get up when we're older
We'll sleep when we're tired
We'll keep burning bright into the night
'Cause we got the fire
And here in this moment
It's all that we need
'Cause now we are young
Younger than we'll, we'll ever be

We mix like colors in the rain
Don't want to think about the day they start to fade
And I'm gonna leave this world behind
There ain't no future but the one that's in your eyes
We still got time, we still got time, we still got time

We'll get up when we're older
We'll sleep when we're tired
We'll keep burning bright into the night
'Cause we got the fire
And here in this moment
It's all that we need
'Cause now we are young
Younger than we'll, we'll ever be

We'll get up when we're older
Woo-ooh-ooh-ooh (Uh-huh)
Woo-ooh-ooh-ooh
Woo-ooh-ooh-ooh (Yeah)
We'll get up when we're older
Woo-ooh-ooh-ooh (Uh)
Woo-ooh-ooh-ooh (Oh yeah)
Woo-ooh-ooh-ooh

Let's chase the sun back to the sky
Just 'cause it's late don't mean we have to say goodbye
It's only summer by your side
We still got time, we still got time, we still got time
We still got time, we still got time, we still got time

We'll get up when we're older (Uh-huh)
We'll sleep when we're tired
We'll keep burning bright into the night
'Cause we got the fire
And here in this moment
It's all that we need
'Cause now we are young
Younger than we'll, we'll ever be

We'll get up when we're older (Get older)
Woo-ooh-ooh-ooh (Uh-huh)
Woo-ooh-ooh-ooh (Get older)
Woo-ooh-ooh-ooh (Uh-huh)
We'll get up when we're older (Get older, uh)
Woo-ooh-ooh-ooh
Woo-ooh-ooh-ooh (Oh yeah)
Woo-ooh-ooh-ooh

Leave your worries in the past
Never empty in my glass
If it's magic, can it last?
Oh, oh, oh
Put your hand inside of mine
We'll live like we'll never die
We still got time, we still got time

We'll get up when we're older
We'll sleep when we're tired (Sleep when we're tired)
We'll keep burning bright into the night
'Cause we got the fire (Fire)
And here in this moment (Here in this moment)
It's all that we need (It's all that we need)
'Cause now we are young
Younger than we'll, we'll ever be

We'll get up when we're older
Woo-ooh-ooh-ooh (Uh-huh)
Woo-ooh-ooh-ooh (Get up when we're older)
Woo-ooh-ooh-ooh (Get up when we're older, yeah, yeah)
We'll get up when we're older ('Cause we're younger than we'll ever be)
Woo-ooh-ooh-ooh
Woo-ooh-ooh-ooh (Oh yeah)
Woo-ooh-ooh-ooh (Yeah, we're younger than we'll ever be, yeah, yeah)
