So he would smack me with his hands

Like a po' fat man

And get togetha', school, whateva' that'll do  
I don't really know, but I fo' show me where dat bull  
Shit to get me through  
Oh my!  
Goodness I should do this with a bow tie  
Turn it 'till it's prefect with a bold size  
Jerr it won't be worth it but it's all mine

Cause like it really ain't  
Like it's in yo' brain!  
I'm amazed that every day is made so plain  
So I'ma break the chain  
And stage a feign campaign  
Ooh

And I feel real good

Hide me if you feel me  
Cause I feel real wood  
Oh I really kill me though it's really understood  
I'm a really spilly really young because I should
