

Our Love Glows

Steve Aoki

Pushing through the crazy crowd
The buzz is up, the lights go down
Screaming as the music starts
Any worry disappears
'Cause don't you know that you right here
Makes living life seem not so hard?

'Cause our love, it glow-ow-ow-ows, ow-ow-ows
Our love, it glow-ow-ow-ows in the dark
'Cause our love, it glow-ow-ow-ows, ow-ow-ows
Our love, it glow-ow-ow-ows in the dark

'Cause our love, it glow-ow-ow-ows, ow-ow-ows
Our love, it glow-ow-ow-ows in the dark

Baby, I don't feel a thing
Your touching hits like Novocaine
Your kiss lights me up like the stars
Never found a wilder way
You make the shadows fade away
We can't hide our neon hearts

'Cause our love, it glow-ow-ow-ows, ow-ow-ows
Our love, it glow-ow-ow-ows in the dark
'Cause our love, it glow-ow-ow-ows, ow-ow-ows
Our love, it glow-ow-ow-ows in the dark
No matter where we are
We're gonna leave our mark
It only takes a spark
'Cause our love, it glow-ow-ow-ows, ow-ow-ows
Our love, it glow-ow-ow-ows in the dark

'Cause our love, it glow-ow-ow-ows, ow-ow-ows
Our love, it glow-ow-ow-ows in the dark

Feeling the beat
You pull me closer
We take the club
Renegade lovers
Our love, it glow-ow-ow-ows
Our love it glows
Ow-ow-ows in the dark

Glow-ow-ow-ows, ow-ow-ows (In the dark)
Glow-ow-ow-ows in the dark (In the dark)
Glow-ow-ow-ows, ow-ow-ows (In the dark)
Glow-ow-ow-ows in the dark (In the dark)

'Cause our love, it glow-ow-ow-ows, ow-ow-ows
Our love, it glow-ow-ow-ows in the dark
'Cause our love, it glow-ow-ow-ows, ow-ow-ows
Our love, it glow-ow-ow-ows in the dark
