Paranoia

Steve Aoki

Hey

Take me, hold me que quiero volar
En la noche, under neon lights
Rollin', rollin', rollin', please don't stop
Rollin', rollin', rollin', dame más

You've got good energy que me controla
Cuando me tocas, yo me vuelvo loca
You know, whoa
Like you know, oh

Baby, I'm craving for your hands around me
Tú sabes que me muero por volver a besarte
You know, whoa
Like you know, know, know

Take my body
Take my body

Take me, hold me right under the light
Take me, make me feel like I'm alive
Rollin', rollin', rollin' feels so right
Rollin', rollin', rollin' one more time

Baby, I'm craving for your hands around me
Tú sabes que me muero por volver a besarte
You know, whoa
Like you know, know, know

Take my body
Take my body

Ooh, ooh, ooh-ooh
Ooh, ooh, ooh-ooh
You hear me calling your name
You hear me calling your name

Ooh, ooh, ooh-ooh
Ooh, ooh, ooh-ooh
You hear me calling your name
You hear me calling your name

Take my body, take my body
No hay nadie que me haga-

Take, take
Take, take
Take, take
Take, take
Take, take
Take, take
Take, take
Take, take
Take, take
Take, take
Take, take

Take
