Play It Cool

Hold tight for me Don't get comfy My type I see And I know that you know me I move my feet She follow me Into the streets There's a bar at the hotel So let's go be the clientele 'Cause we look like the cartel Yeah yeah yeah yeah I'm addicted to you right now And I want it to stay round Tell your powers to calm down Yeah yeah yeah yeah There's something about you Baby I like the way that you keep moving 'round the place And when you dancing in my face Oh I just play it cool Baby I like the way that you keep moving 'round the place And when you dancing in my face Oh I just play it cool I speak French qui It's c'est la vie Your energy's taking over me Don't stop Got me a feelin' a whole lot Tell your powers to calm down Yeah yeah yeah yeah There's something about you Baby I like the way that you keep moving 'round the place And when you dancing in my face Oh I just play it cool Baby I like the way that you keep moving 'round the place And when you dancing in my face Oh I just play it cool Baby I like the way that you keep moving Baby I like the way that you keep moving 'round the place And when you dancing in my face Oh I just play it cool Baby I like the way that you keep moving 'round the place And when you dancing in my face Oh I just play it cool Baby I like the way that you keep moving

The way that you keep moving
