(Come on, party people)

(Come on, party people)

It's time to start the party, we're here to misbehave
It's time to rock your body, we're here until it's late
Ain't no need to worry, we're here to misbehave
It's time to check your party, we're blowing up the rave

It's time to start the party, we're here to misbehave
It's time to rock your body, we're here until it's late
Ain't no need to worry, we're here to misbehave
It's time to check your party, we're here to fucking rave
Let's go!

We're here to fucking rave
