

Used To Be

Steve Aoki

Scrolling through the pictures
Feeding my addictions
Sick of all the fake love
Shouldn't drink the Kool-Aid
But I think it's too late
Guess I gotta stay up

Some days I just hate myself
Wish that I was someone else
Stuck inside this prison cell
Can someone help, someone help?

'Cause I'm not crazy, I'm just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
I'm not crazy, I'm just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to be

Feeling like I can't breathe
Wanna but I can't scream
Why am I so messed up?
If I'm living my best life
Why's it got my chest tight?
Guess I gotta stay numb

Some days I just hate myself
Wish that I was someone else
Stuck inside this prison cell
Can someone help, someone help?

'Cause I'm not crazy, I'm just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
I'm not crazy, I'm just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to be

Okay
Made it out and when they doubt it, they can't do a thing about it
Rolling kush and selling cloudy, no roof top down
And everyone is real around me, so much ice
I probably bring the snow in town, you know I'm high, I'm always smiling
Ain't no vacation, my crib feel like a island
Making a wave, it don't matter what the style is
Come to that paper we stack it up and pile it
Cars is the fastest, chicks is the baddest, weed the loudest
I was blessed with game but don't give it to everybody
Gotta really want it, you work for it, then you got it
Got a billion dollars, I'ma take the proposition
Till I'm the one and only, I don't see no competition

'Cause I'm not crazy, I'm just a little unwell (uh)

I know (yeah) right now you can't tell (you already know what it is man)
But stay awhile and maybe then you'll see (and if you don't)
A different side of me (yeah)
I'm not crazy, I'm just a little impaired (I'm just smoking kush tryna)
I know right now you don't care
But soon enough (ease my mind and let time fly) you're gonna think of me (it
's young Khalifa, man)
And how I used to be (let's go)

Am I alright? Yeah, I'm alright
Am I alright? Yeah, I'm alright
Am I alright? Yeah, I'm alright, right now
Am I alright? Yeah, I'm alright
Am I alright? Yeah, I'm alright
Am I alright? Yeah, I'm alright, right now

Am I alright? Yeah, I'm alright
Am I alright? Yeah, I'm alright
Am I alright? Yeah, I'm alright, right now
