

Do I need a visa?  
Do I need a visa?  
Do I need a visa?

You keep on playing games  
Like I don't make you sing  
Like I don't do all the things you love

You keep on playing games  
You love to call my name  
When it's only me and you alone

Do I need a visa?  
Do I need a visa to come meet ya?  
'Cause I feel the distance  
As I keep on fighting for your love  
Do I need a visa?  
Do I need a visa to come meet ya?  
'Cause I feel the distance  
As I keep on fighting for your love

Oh my  
Feels like I keep fighting for your love  
Oh my  
Feels like I keep fighting for your love

I-I-I-I don't wanna lose myself  
'Cause I'm trying to find all of you  
I don't wanna lose myself  
Because I'm trying to find all of you

Aye, le  
Oh, I keep on fighting for your love  
Aye, le  
Getting tired 'cause I keep on fighting

Do I need a, do I need a visa?  
Do I need a visa to come meet ya?  
'Cause I feel the distance  
As I keep on fighting for your love  
Do I need a visa?  
Do I need a visa to come meet ya?  
'Cause I feel the distance  
Every time I'm fighting for your love

Fighting for your love  
Fighting for your love  
Fighting for your love  
Fighting for your love  
Fighting for your love  
Fighting for your love  
Fighting for, feel like I've been fighting for your love

Oh my  
Feels like I've been fighting for your love  
Oh my  
Feels like I keep fighting for your love

Do I need a visa?  
Do I need a visa to come meet ya?  
'Cause I feel the distance  
As I keep on fighting for your love  
Do I need a visa?  
Do I need a visa to come meet ya?  
'Cause I feel the distance  
As I keep on fighting for your love

You don't even feel what I'm feeling  
You don't even know what to do with yourself  
With yourself
