

Running On Love

Steve Forbert

I was runnin' on empty
I was runnin' on fumes
I was runnin' on desperately
'Neath a cold, dark moon
Now I'm runnin' on tenderness
Thankin' stars above

I was runnin' on loneliness
Now I'm runnin' on love
I was runnin' on loneliness
Now I'm runnin' on love

I was runnin' on heartache
I was runnin' on pain
I was runnin' on borderlines
In a cold, hard rain
Now I'm runnin' on happiness
Sunny skies above

I was runnin' on loneliness
Now I'm runnin' on love, oh yes
I was runnin' on loneliness
Now I'm runnin' on love

Runnin' on love and love's around me
In ev'rything I do
Runnin' on love and love surrounds me
'Cause I ran into you...

Alright

I was runnin' on trouble
I was runnin' on steam
I was runnin' on bitterness
Like you would not dream
Now I'm runnin' on faithfulness
Runnin' hand in glove, oh yes

I was runnin' on loneliness
Now I'm runnin' on love...
I was runnin' on loneliness
Now I'm runnin' on love... oh yes
I was runnin' on loneliness
Now I'm runnin' on love

Runnin' on love
Runnin' on love...
Runnin' on love

Runnin' on love
