

# Supersonic Rocket Ship

Steve Forbert

Let me take you on a little trip  
My supersonic ship's at your disposal  
If you feel so inclined  
Well alright  
We're gonna travel faster than light  
So do up your overcoat tight  
And you'll go anywhere you want to decide  
Well alright

Too many people side by side  
Got no place to hide

On my supersonic rocket ship  
Nobody has to be hip  
Nobody needs to be out of sight  
Well alright  
Nobody's gonna travel second class  
There'll be equality  
And no suppression of minorities  
Well alright

We'll take this planet, shake it round  
And turn it upside down  
My supersonic rocket ship

It ain't no magic, ain't no lie  
You'll laugh so loud you'll cry  
Up and down, round and round  
On my supersonic rocket ship

Let me take you on a little trip  
My supersonic ship's at your disposal  
If you feel so inclined  
Well alright  
Nobody's gonna travel second class  
There'll be equality  
And no suppression of minorities  
Well alright

On my supersonic rocket ship...
