

# Suspicion

Steve Forbert

## VERSE

Every time you kiss me  
I'm still not certain that you love me  
Every time you hold me  
I'm still not certain that you care  
Though you keep on saying  
You really, really, really love me  
Do you speak the same words  
To someone else when I'm not there?

## CHORUS

Suspicion--torments my heart  
Suspicion--keeps us apart  
Suspicion--why torture me?

## VERSE

Every time you call me  
And tell me we should meet tomorrow  
I can't help but think that

You're meeting someone else tonight  
Why should our romance  
Just-a keep on causing me such sorrow?  
Why am I so doubtful  
Whenevers you care out of sight?

(REPEAT CHORUS)

## VERSE

Darling, if you love me  
I beg you, wait a little longer  
Wait until I drive  
All these foolish fears out of my mind  
How I hope and pray  
That our love will keep on growing stronger  
Maybe I'm suspicious  
'cause true love is so hard to find
