Write Me A Raincheck

Steve Forbert

Time to get together
It's an uphill climb
Inclemental weather
Makes it hard sometimes

Write me a rain check, baby
I'll be back around
Write me a rain check
I'll be back in town

Trying to get to you, babe
Up an incline plane
Come a storm or two, babe
And a hurricane

Write me a rain check, baby
I'll be back around
Write me a rain check
I'll be back in town

Write me a rain check
And try me again
Write me a rain check
And I'll see ya win
Write me a rain check
And try me again
Write me a rain check
And I'll see ya win
See ya win

Write me a rain check, baby
I'll be back around
Write me a rain check
I'll be back in town

Write me a rain check
And try me again
Write me a rain check
And I'll see ya win
Write me a rain check
And try me again
Write me a rain check
And I'll see ya win
See ya win

Tryna get to you, babe
And it feels like years
But I will get through, babe
When the cloudbank clears

Write me a rain check, baby
I'll be back around
Write me a rain check
I'll be back in town
