

# Run

Steve Grand

I'm the 101, I'm 18 from  
This brand new man I will become  
I am born again, right out this skin  
I only live to start again  
So I run

24, I'm not so sure  
What this life should mean to me anymore  
I mean no disrespect, I just don't give a shit  
No one knows the cards a man's workin with  
So I run  
I start to run

I start to run, I'm still young  
Not looking back from where I come  
You get this life, just one time  
You do yours and I'll do mine  
So I run  
So I run

I've loved and lost, I've turned and tossed  
I've shuddered at the pain I've caused  
I crossed that line, no good at lies  
I looked the devil in the eyes  
So I run  
I start to run

I start to run, I'm still young  
Not looking back from where I come  
You get this life, just one time  
You do yours and I'll do mine  
So I run  
(Run run, run na, na na na)  
So I run  
(Run run, run na, na na na)

So pack your bags, we leave tonight  
We won't go down, without a fight  
So pack your bags, we leave tonight  
We won't go down, without a fight

I start to run, I'm still young  
Not looking back from where I come  
You get this life, just one time  
You do yours and I'll do mine  
So I run  
(Run run, run na, na na na)  
So I run  
(Run run, run na, na na na)

I start to run, I'm still young  
Not looking back from where I come  
You get this life, just one time  
You do yours and I'll do mine  
So I run  
(Run run, run na, na na na)  
(So pack your bags, we leave tonight)

So I run  
(Run run, run na, na na na)  
(We wonít go down without a fight)...
