

Celebrate His Good Life - He Holds The Keys Album Version

Steve Green

Let us celebrate our gracious Lord, tho He was rich
Made Himself poor, like no other king the world had known before.

Through His poverty we have received an overflow that longs to reach into

Every need and fill it joyfully.

We will celebrate His good life; we will celebrate with joy.

We will celebrate His life; we will celebrate His joy celebrate our Lord's good life.

Let us celebrate our gracious Lord who teaches us to give Him more

Than we ever dream'd that we could give before. For we have become the cheerful

Ones who find our joy when His will is done; and in giving all, there's life that overcomes.

We'll celebrate His good life; we will celebrate with joy. We will celebrate His life; we will celebrate

With joy; celebrate our Lord's good life. We will celebrate His life; we will celebrate with joy;

Celebrate our Lord's good life
