

Lift Up A Song

Steve Green

Lift up a song
Strengthen yourself in the joy of the Lord
Let your heart dance
You are His joy and He's your reward
Lift up your hands
Together we are the new temple that follows
His loving commands
We are the temple the body the bride of the Lamb

He is among us
Dancing and singing
Singing with joy over all the redeemed
Who are coming to Zion
Behold His presence
Comes to His temple
As the redeemed of the Lord join the dance
Of the passover Lamb

Oh it is Jesus
The Lamb who has saved us
Who now has been raised and is seated in power
At the hand of the Father
Behold His presence
Comes to His temple
As the redeemed of the Lord join the dance
Of the passover Lamb
