

Rest

Steve Green

Everyday I wake up next to an angel
More beautiful than words could say They said it wouldn't work
but what do they know?
Cause years passed and we're still here today
Never in my dreams
Did I think that this would happen to me
As i stand here before my woman
I cant fight back the tears in my eyes
Oh how could I be so lucky
I mustve done something right
And i promise to love her for the rest of my life
Seems like yesterday when she first said hello
Funny how time flys when you're in love
It took us a lifetime to find each other
It was worth the wait cause
I finally found the one
Never in my dreams
Did I think that this would happen to me As i stand here before
my woman
I cant fight back the tears in my eyes
Oh how could i be so lucky
I mustve done something right
And i promise to love her for the rest of my life
