

Peace

Steve Hackett

Though the war was hard
We raised up each other's hearts
And the search for something real
It sure felt like dying

Trust in all you know
Love will always show
Turn and face whatever you most fear

You know, you know
You know, you know
You know, you know
You know, you know
I do believe in destiny
We'll live arm-in-arm-in-arm

How's your life today?
Gone with the flow?
Hidden from the world?
Taking every blow?

From desperate times
Raise your eye
To the dreamworld
Mountain shrine high

On and on
On and on
On and on
On and on
Woah
Woah
Woah
Woah

You know, you know
You know, you know
You know, you know
You know, you know
The sun now shines through broken skies
The mirror dreams within your eyes

On and on
On and on
On and on
On and on
Woah
Woah
Woah
Woah
