

# Crazy Love

Steve Harley

I can hear her heartbeat from a thousand miles  
Yeah and the heavens open every time she smiles  
When I come to her, which is where I belong  
I run into her like a river's song

She gives me love, love, love, love, crazy love  
She gives me love, love, love, love, crazy love

She got a fine sense of humor when I'm feeling low down  
Yeah when I come to her, when the sun goes down  
She take away my troubles, take away my grief  
Take away my heartache in the night like a thief

She gives me love, love, love, love, crazy love  
She gives me love, love, love, love, crazy love

Yeah I need her in the daytime  
Yeah I need her in the night  
I wanna throw my arms around her  
Kiss and hug her, kiss and hug her tight

Yeah when I'm returning from so far away  
She give me some sweet loving to brighten up my day  
Yeah and it makes me righteous and it makes me whole  
Makes me mellow down to my soul

She gives me love, love, love, love, crazy love  
She gives me love, love, love, love, crazy love

She gives me love, love, love, love, crazy love  
She gives me love, love, love, love, crazy love

She gives me love, love, love, love, crazy love  
She gives me love, love, love, love, crazy love
