

Can't Wait for Summer

Steve Lawrence

Can't wait for summer
Can't wait for summer
Can't wait for summer, summer

Can't wait for summer
To throw away my books
Can't wait for summer
Get out my fishing hooks

In the summer, girls look cute
Dressed up in a bathing suit
Can't wait for summer
To see what cooks

Can't wait for summer
Can't wait for summer
Can't wait for summer, summer

Can't wait for summer
To play ball in the park
Can't wait for summer
To park out in the dark

Outdoor are my speed
Go to drive-ins for a fee
Can't wait for summer
Can't wait to have a lark

Can't wait for summer
To run round in shorts
Can't wait for summer
To play on tennis courts

The girl I want will be all for
Loving? out of doors
The girl I want will be all for
Can't wait for summer sports

Can't wait for summer
Can't wait for summer
Can't wait for summer, summer
