

# Watching The World

Steve Lukather

It's Been Many Years  
So Much Has Changed  
It's Not The Same

I'm So Full Of Pain  
By The Things That I've Seen  
But Who Can I Blame

See, The Road That Were On  
Never Changes  
People Turn Their Heads  
And Run From The Truth  
Is There Any Hope At All

Chorus

Sitting Here Watching The World  
Falling Apart, What Can We Do  
Standing In The Shadows Of Lies  
And Deceivers, When Does It End

Promises Made By People  
We Trust, Are All In Vain  
The Things That We're Told,  
The Lives That Are Lost  
It Seems Insane

And The News We Get  
It's Certain They're Pro-Gender  
And The Talking Heads  
Just Read Another Screen  
Is There Any Hope At All

Repeat Chorus

Sitting Here Watching The World  
Falling Apart, What Can We Do  
Standing In The Shadows Of Lies  
And Deceivers, When Does It End

It's Just A Matter Of Time (It's Just A Matter Of Time)  
There's Nothing Left For Us To Say (Nothing Left To Say)  
In A World So Unkind (In A World So Unkind)  
Reach Out Your Hands  
Let's Try To Change Their Hearts

Is There Any Hope At All?

Repeat Chorus

Sitting Here Watching The World  
Falling Apart, What Can We Do  
Standing In The Shadows Of Lies  
And Deceivers, When Does It End

Sitting Here Watching The World  
Falling Apart Oh, What Can We Do  
Standing In The Shadows Of Lies  
And Deceivers, When Does It End
