

Be Your Man

Steve Moakler

I've been bad for goodness sake
I've been known for running late
Sorry that you had to wait
But I'll be your man

I won't laugh at all your jokes
Might walk in and smell like smoke
May not be all that you hoped
But I'll be your man

Like a locomotive train
Strong and steady down that plane
Look to me and I'll come through
Just like I was made to do
May not be a dream come true
But I'll be your man

I come from where you're not allowed
That won't make your daddy proud
I ain't the biggest name in town
But I'll be your man

I'm built of stuff that won't break
I ain't a cheap, I ain't a fake
Best mistake you'll ever make
To let me be your man, oh, come on

Like a locomotive train
Strong and steady down that plane
Look to me and I'll come through
Just like I was made to do
May not be a dream come true
But I'll be your man

I can't give you everything
But I'd give anything to try

Like a locomotive train
Strong and steady down that plane
Look to me and I'll come through
Just like I was made to do
I'll give all my love to you
Girl, I'll be your man
Let me be your man
