

Jealous Girl

Steve Moakler

I'm a friend of a friend looking down
Who's just countin' down the Fridays
Starting losing track of everything
Wants to thought so he's looking my way
Yeah, I'm pretty good of talking
Asking how your day's been
Hey all you really wanna say is

It ain't just a fight
But I can't help feeling jealous, girl
I'm wishing you would mind are you someone else's jealous girl
Yeah, I know there's a lot of fish in sea but
You're the only you in the world
And it's making me jealous, girl
You're making me jealous, girl

I'm hanging on every word now
And laughing at the punch lines
Whatevers everybody ever walk away who wants to see in those eyes
Wanna stick around, maybe have another drink
And I can tell you where I've been thinking

It ain't just a fight
But I can't help feeling jealous, girl
I'm wishing you would mind are you someone else's jealous girl
Yeah, I know there's a lot of fish in sea but
You're the only you in the world
And it's making me jealous, girl
You're making me jealous, girl
Yeah

Wanna get you out of here
Maybe paint the town red, yeah
Are you feeling too or it's just in my head

It ain't just a fight
But I can't help feeling jealous, girl
I'm wishing you would mind are you someone else's jealous girl
Yeah, I know there's a lot of fish in sea but
You're the only you in the world
And it's making me jealous, girl
You're making me jealous, girl
Uuuuh...
