I Need You

Steve Perry

You don't realize how much I need you
Love you all the time and never leave you
So come on back to me, I'm lonely as can be
I need you

You said you had a thing or two to tell me
How was I to know you would upset me?
I didn't realize when I looked in your eyes
You told me, oh yes, you told me you don't want my loving anymo
re
That's when it hurt me and feelin' like this
I just can't go on anymore

Please remember how I feel about you
You know I could never live without you
So come on back and see, just what you mean to me
I need you
Oh, I need you
Whoa, I need you
