

What A Wonderful World

Steve Perry

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself
What a wonderful world

I see skies of blue and clouds of white
And bright blessed days, and dark sacred nights
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
And also on the faces
Of people passing by
I see friends shaking hands, saying, "How do you do?"
They're really saying, "I love you"

I hear babies cry, I watch them grow
They'll learn much more than I'll ever know
And I think to myself
What a wonderful world

The colors of the rainbow
In the sky
On the faces
Of people going by
I see friends shaking hands, saying, "How do you do?"
They're really saying, "I love you"

I hear babies cry, I watch them grow
They'll learn much more than I'll ever know
And I think to myself
What a wonderful world
Oh, I think to myself
What a wonderful world
