Don't Make Me Over

Steve Tyrell

Don't make me over
Now that I'd do anything for you
Don't make me over
Now that you know how I adore you

Don't pick on the things I say
The things I do
Just love me with all my faults
That way that I love you, I'm begging you

Don't make me over
Now that I can't make it without you
Don't make me over
I wouldn't change one thing about you

Just take me inside your arms
And hold me tight
And always be by my side
If I am wrong or right, I'm begging you

Don't make me over
Don't make me over
Now that you've got me
At your command

Just take me inside your arms
And hold me tight
And always be by my side
If I am wrong or right, I'm begging you, begging you

Don't make me over
Don't make me over
Now that you've got me
At your command

Accept me for what I am
Accept me for the things that I do
Accept me for what I am
Accept me for the things that I do

Don't make me over
Don't make me over
