

# I'm Through With Love

Steve Tyrell

I'm through with love I'll never fall again  
Said adieu, to love, don't ever call again  
For I must have you or no one  
And so I'm through with love

I've locked my heart, I'll keep my feelings there  
I have stopped my heart, with icy frigid air  
And I need to care for no one  
And so I'm through with love

Why did you lead me to think you could care  
You didn't need me, for you had your share  
Of slaves around you, to hand you and swear  
With deep emotion, devotion to you

Goodbye to spring and all it meant to me  
It can never bring the things that used to be  
For I must have you or no one  
And so I'm through with love

Why did you lead me, to think you could care  
You didn't need me, for you had your share  
Of slaves around you, to hand you and swear  
With deep emotion, devotion to you

Goodbye to spring and all it meant to me  
It can never bring the things that used to be  
For I must have you or no one  
And so I'm through with love

I'm through, I'm through,  
Baby cuz I can't have you  
I'm through with love
