

## What A Little Moonlight Can Do

Steve Tyrell

Ooh, ooh, ooh  
What a little moonlight can do  
Ooh, ooh, ooh  
What a little moonlight can do to you  
You're in love  
Your heart's fluttering all day long  
You only stutter cause your poor tongue  
Just will not utter the words  
'I love you'  
Ooh, ooh, ooh  
What a little moonlight can do  
Ooh, ooh, ooh,  
When a little moonbeam comes peepin' through  
You'll get bored  
You can't resist her  
And all you'll say  
When you have kissed her is  
Ooh, ooh, ooh  
What a little moonlight can do  
If by chance you have a bashful sweetheart  
Moonlight will teach hime to care  
and the greatest lover will discover  
That he's got time for just one more affair  
(Comedy Interlude - Impressions etc.)  
(Orchestral Break)  
You'll get bored  
You can't resist her  
And all you'll say  
When you have kissed her is  
Ooh, ooh, ooh  
What a little moonlight can do
