

# What The World Needs Now

Steve Tyrell

What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love  
No, not just for some but for everyone

Lord, we don't need another mountain  
There are mountains and hillsides enough to climb  
And there are oceans and rivers enough to cross, enough  
to last  
Till the end of time

What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love  
No, not just for some but for everyone

Lord, we don't need another meadow  
There are cornfields and wheat fields enough to grow  
There are sunbeams and moonbeams enough to shine  
Oh listen Lord if you wanna know

What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love  
No, not just for some but just for everyone, everyone

What the world needs now is love, sweet love  
What the world needs now is love, sweet love  
Sweet, sweet, sweet love

What the world needs right about now is love, sweet  
love  
What the world needs now is love, sweet love  
What the world needs now is love, sweet love

What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love  
No, not just for some, oh but just for everyone,  
everyone

What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love
