

## Paint Me Your Face

Steve Vai

I'm just the paint  
You paint the picture  
What are you seeing?  
What are you feeling?  
And all my colors  
For your creating  
Is your rainbow  
Black and blue  
Or your heavens,  
Cherry Blossoms?  
But what do you cover  
With your ocean of colors?  
Secrets? Regrets?  
Who are you  
Through and through?  
See who you are  
Deep in the core  
Under the paint  
Under It All  
Paint me your face  
And please be revealing  
What are you dreaming?  
What are you praying for?
