

# Drop Top

Steve Wariner

Well I'm gonna get me a drop top  
Baby and ride in the breeze  
I'm gonna get me a drop top  
Baby and ride in the breeze  
I'm gonna find me a woman and set my heart at ease

I'm gonna get me a drop top  
Baby and cool in the breeze  
Gonna find myself a woman  
Set my heart at ease  
Gonna get me a drop top baby you can ride if you please

Well everything's so smooth  
So baby let me drop this top  
Yeah everything's so smooth  
So baby let me drop this top  
Well when I get to ridin' I don't know how to stop

Well I'm gonna ride in the mornin'  
Gonna ride til late at night  
I'm gonna ride in the mornin'  
Gonna ride til late at night  
When my baby crawls in everything's gonna be alright

Well I got myself a drop top  
Babe I'm coolin' in the breeze  
I found myself a woman  
She sets my heart at ease  
I have got my drop top baby you can ride if you please
