

## Only One and Only You

Steven Curtis Chapman

I caught you looking in the window at your reflection and  
I could see you were unimpressed  
I watch you whither like a willow at what you think are imperfe  
ctions  
When you compare you to all the rest  
And I wish I could find a way to make you see you the way I do  
So I wrote this song for you

You're better than a Beethoven symphony  
And Mona Lisa wishes she could be a masterpiece like you  
More than any Michelangelo  
When I look at you I know  
There's no other masterpiece like you  
You are the only one and only you

There is music in your laughter the world has never heard befor  
e  
You came and brought a melody  
The way you say it the way you see it  
When you're sad and glad and so much more  
All these gifts only you can bring  
Still I know that right now everything that you feel says it's  
just not true  
So I'll keep reminding you that

You're better than a Beethoven symphony  
And Mona Lisa wishes she could be a masterpiece like you  
More than any Michelangelo  
When I look at you I know there's no other masterpiece like you  
You are the only one and only you

Wonderfully, carefully woven together by God's own hand  
And you're better than a Beethoven symphony  
And Mona Lisa wishes she could be a masterpiece like you  
More than any Michelangelo  
When I look at you I know there's no other masterpiece like you  
You are the only one and only you  
You are the only one and only you
